WELCOME TO HERAEUS

Safety Information and Code of Conduct for the Kleinostheim Site

Dear visitors,

We warmly welcome you at Heraeus. Your safety is our collective responsibility. To ensure your personal safety and the safety of others, we would ask you to familiarize yourself with the following regulations and instructions.

Sincerely,
Heraeus Site Operations

HERAEUS CAMPUS

Entering and leaving the campus

Entrance to the campus and buildings requires authorization according to location and building safety regulations. Please follow the instructions from the security office and from your contact person at Heraeus. When leaving the campus, a personal or vehicle inspection will be conducted. Heraeus also checks the validity and authenticity of the identification documents using an optical reader.

Data protection

The data protection information for visitors is available for inspection at every gate, we will be happy to give you your personal copy. You can also access the data protection information at www.heraeus.com/privacy

Video Surveillance

Herewith we inform you that individual areas of the campus are under video surveillance.

Emergency equipment

In case of emergency the different equipment is available on the campus and in the buildings: telephones, manual fire alarms, automatic fire and gas alarms, building evacuation alarm, emergency evacuation plans, fire extinguishers and first aid equipment. The first aid station is located on the ground floor of building 124 and is open Monday to Friday.

Fire Protection

The Heraeus fire protection guidelines describe important measures to prevent fires, accidents and other dangerous situations from occurring.

Orders of the safety organization

Orders of the safety organization (e.g. site security, site fire brigade) must be obeyed.

Permission ticket

Only perform work having a general work permission ticket. Before starting dangerous work (e.g. work with flying sparks) you need an additional permission ticket (e.g. for heat work. Follow all instructions given on the general work permission ticket and the additional work permission ticket.

Escape routes

Emergency evacuation routes ensure that people can exit a dangerous area in the safest possible manner, and these must always be free of obstructions. Corresponding maps can be found in the hallways of all buildings: The evacuation routes are marked.

Upon hearing a building evacuation alarm (alternating or loud intermittent tone) go exclusive to the assembly point.

Parking lots

You may only park your vehicle in parking areas assigned to you. Pay close attention to parking designations and signs. Parking in restricted areas is strictly forbidden. Your vehicle could impede campus traffic or emergency vehicles. Unauthorized parked vehicles in reserved areas may be towed at the owner's expense or do not receive further entrance permits to the campus.

Vehicle and pedestrian traffic

Campus traffic regulations allows a maximum speed of 20 km/h. The traffic situation on campus calls for drivers to be highly attentive and always to operate vehicles in a safe manner. Pedestrians must stay on sidewalks, marked paths on the side of the street. So as not to slow down traffic or put themselves in danger. Vehicle drivers are only allowed to reverse or back up if it is ensured that people are not endangered. If this cannot be ensured, he must be instructed by an instructor. For technical reasons, winter road maintenance is carried out exclusively without road salt. Therefore, please be aware of an increased risk of slipping.

ACCIDENT AVOIDANCE

Products and systems

The production processes at Heraeus demand the utmost purity and precision. Please maintain a safe distance from products and systems. Ask your contact person for information regarding safety measures and equipment.

Hazardous materials

A variety of hazardous materials is used in our facilities. In accordance with regulations, these areas are marked with prohibitory signs, instructions or warning symbols. If you are not familiar with the pictograms, you can obtain further information from the Environmental Protection office or from your contact person.
