Heraeus Limited Hong Kong achieved ISO14001:2004 accreditation

Heraeus Limited Hong Kong (HLH) has achieved certification to ISO 14001:2004 through its Environmental Management System (EMS) on August 27th, 2014 by Hong Kong Quality Assurance Agency (HKQAA).

“We are very proud to achieve ISO14001 accreditation. We shall continue to implement an environmentally-friendly approach to the way we carry out our business. The ISO14001 accreditation provides evidence of our commitment to the environment which we believe is an increasingly important attribute that customers require.” said by Mr. Jack Lu, the President of Heraeus Limited Hong Kong.

ISO14001

is an international standard that reassures the clients that Heraeus have provided evidence to an independent certifying body that Heraeus pursue a program of continuous improvement in providing an environmentally-friendly service and furthermore that Heraeus invest in the resources necessary to ensure a more sustainable environment.

Background

Hong Kong Quality Assurance Agency (HKQAA)
The HKQAA was established in 1989 as a non-profit distributing organization by the Hong Kong Government. HKQAA helps industry and commerce in the development of quality, environmental, safety, hygiene and social management system. The ISO 14000 series of environment standards is the standard for an environmental management system.
