

## Voluntary self-testing of externals

Heraeus Conamic COVID-19 protective measures for the sites in Hanau and Kleinostheim

We kindly ask all external parties and guests to actively support us with Corona quick self-tests to ensure the operational ability of our sites.

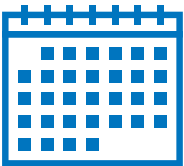

**This regulation concerns contractors, suppliers and visitors.**

Please perform a **quick self-test no more than 24 hours before entering sites in Hanau and Kleinostheim.**

**Heraeus does not provide** Corona quick self-tests for externals.

We ask all contractors who **work  $\geq$  5 working days on the site** to perform **at least two quick self-tests per week.**

If the **test result is positive**, you will **not be granted access to the site.**
