LHC10 PARTS LISTING

This document replaces any parts listings that may be contained within the LHC10 Mark2 Controller Installation, Operation, and Maintenance Manual.

Contained within this document are the part numbers for your genuine Heraeus UV parts. Heraeus Noblelight America LLC (formerly Fusion UV Systems) received full ISO certification in 1993 and we maintain that certification today to the ISO 9001:2008 standard, which underscores our commitment to providing the highest quality components, systems, support, training, process development, and after sales service.

For the most current Replacement Parts Listing for the LHC10 Mark2 Controller, please visit:

On-Line Store

Customers can now place parts orders online*. Our Web Store provides a new level of efficiency and convenience and features:

- 24/7 access
- fully secure website
- pictorial catalog of parts
- ability to review open or closed parts orders, invoices, and returns
- ability to track your parts shipments
- A discount is given for ALL parts ordered online

If you are not yet registered for the Web Store but would like to do so, please contact Sales Support on 1-301-990-8600 or salesupport.hna.uvp@heraeus.com.

* Only customers who place orders directly with Heraeus Noblelight America LLC may register for the online store. If you currently order parts through a local Heraeus distributor, please contact them directly for all parts orders.

Customer Support

The following groups within Heraeus Noblelight America LLC are available to provide customer support.

Sales Support

The Sales Support group is responsible for the processing of domestic and international quotation requests as well as the purchase orders of spare parts, systems, and online orders.

Contact Sales Support at salesupport.hna.uvp@heraeus.com.

Technical Service

The Technical Service group is responsible for worldwide after sales support including repair services whether returned to a Heraeus Noblelight Service Center or at the customer site. This group also provides new equipment commissioning, maintenance and operator training, telephone/email/fax support, maintenance programs such as multi-level service contracts, and certified rebuilt equipment. Our service staff averages nearly 16 years of hands-on experience with Fusion UV equipment!

Contact Technical Services at techservice.hna.uvp@heraeus.com.

Applications Engineering

The Applications Engineering group concentrates on the optimization of a customer's UV process or proposed process and in assisting customers with troubleshooting of their UV curing process. Their expertise includes system selection and configuration; determination of system size, lamp type, and optics; machine design concepts, integration; and air handling systems and measurement (radiometry and thermometry).

This group oversees and operates the Applications Lab in which processes can be developed, demonstrated, or refined using any of a wide range of UV exposure equipment available, including all lamp and bulb types.

Contact Applications Engineering at info.hna.uvp@heraeus.com.

LHC10 Replacement Parts

LHC10 Replacement Parts

Item #	Description	Heraeus Part Number
1	Display kit, HMI module	590862
2	DeviceNet Controller kit, HMS Anybus, controls 1-11 LHI10	590831
3	DeviceNet Controller kit, HMS Anybus, controls 12-22 LHI10 (Optional)	590841
4	Power Supply kit, AC/DC, 24 Vdc output	590811
5	Fan kit, 24 Vdc	590821
6	Analog Input Module kit	590801
7	Digital I/O Module kit	590791
8	Master I/O Controller Module kit	590851
9	Connector, power inlet with DPST line switch, 250V, 5A, IEC	589171
10	Hole plug	589131
not shown	Fuse, time delay, 5A (part of input connector, Item #9)	511835
not shown	Lock nut and washer kit (to be used with strain relief)	589191
not shown	Power cord, IEC320, 125 Vac (for North America only)	261623
not shown	Strain Relief (for customer wiring to Controller)	589181
