

TERMS AND CONDITIONS OF SALE

For the purposes of these Terms and Conditions of Sale, the term “contract” shall mean the agreement between **Excelitas Noblelight America LLC** (“Supplier”) and the Buyer, arising as a result of the Buyer’s submission of an order for the Supplier’s products. Such a contract shall be deemed to incorporate and be governed by these Terms and Conditions. **THESE TERMS AND CONDITIONS SHALL TAKE PRECEDENCE OVER ANY TERMS AND CONDITIONS, WHICH APPEAR IN THE BUYER’S ORDER OR IN ANY DOCUMENTS INCORPORATED BY REFERENCE IN THE BUYER’S ORDER.** No term or condition of Buyer’s order additional to or different from these Terms and Conditions shall become part of the contract unless explicitly agreed to in writing by the Supplier. Retention by Buyer of any products delivered by Supplier, or payment by Buyer of any invoice rendered hereunder, shall be conclusively deemed acceptance of these Terms and Conditions. Supplier’s failure to object to any provision contained in any communication from Buyer shall not be construed as a waiver of these Terms and Conditions or as an acceptance of any such provision.

1. **Quotations:** Prices, specifications and dates for delivery referenced in Supplier's quotations are for information purposes only and shall not be binding on Supplier until all technical requirements have been agreed and Supplier has accepted Buyer's order. Quotations terminate if not accepted by Buyer within 60 days.

2. **Orders:** By submitting an order to Supplier, Buyer agrees to be subject to these Terms and Conditions of Sale in their entirety. All orders must be bona fide commitments showing definite prices and quantities and mutually agreed shipping dates. No order, whether or not submitted in response to a quotation by Supplier, shall be binding upon Supplier until accepted in writing by Supplier.

3. **Prices and Taxes:** Prices do not include taxes, including without limitation sales, use or excise taxes, applicable to the products sold in this transaction, which taxes may, in Supplier’s discretion, be added by Supplier to the sales price or billed separately and which taxes shall be paid by Buyer unless Buyer provides Supplier with any necessary tax exemption certificate. Supplier may, by giving notice to Buyer prior to delivery, increase the price of the products to reflect any significant increase in: the costs of materials, other costs of manufacture of the products, costs of transport, or any taxes, customs, levies and other public or administrative duties incurred by Supplier. Buyer shall confirm the increased purchase price within 14 days after receipt of the notice of adjustment of the purchase price by Supplier. If Buyer does not confirm the increased purchase price, Supplier may terminate the contract by giving written notice to Buyer.

4. **Shipment:** Shipment shall be freight collect unless otherwise agreed in writing by Supplier. Shipping dates are approximate and are contingent upon prompt receipt of all necessary information from Buyer, including but not limited to line voltage and frequency and mechanical specifications, if any. Cash deposit and written purchase order must be received before a firm shipping date is scheduled. Supplier will notify Buyer promptly of any significant delay and will specify the revised delivery date as soon as practical. Buyer shall pay transportation and insurance charges. Domestic shipments of MPE cabinets and certain designated custom systems must be transported via air-ride van. For export shipment the Buyer should explicitly state the method of shipment preferred. In the absence of such shipping directions, Supplier will use its discretion in employing method of shipment. All necessary packaging and crating for export shipments are supplied *excluding sea freight*. If Buyer delays, refuses, or otherwise declines to accept delivery of products described herein, Supplier may, as Buyer’s agent and without liability to Supplier, store or arrange for storage of such delayed, refused, or declined products at Buyer’s expense. Such products will be deemed delivered at the time they are either put into storage or turned over to the carrier for shipment, whichever occurs first.

5. **Delivery:** Delivery will be deemed to have been effected when the products leave the premises of Supplier or as the case may be the premises of suppliers to Buyer in circumstances where the products are delivered direct from such suppliers. Time of delivery is not of the essence. Supplier shall not be liable for any loss whatsoever or howsoever arising caused by non-delivery. Supplier reserves the right to make delivery by installments and to tender a separate invoice in respect of each installment. When delivery is to be by installments or Supplier exercises its right to deliver by installments or if there be delay in the delivery of any one or more installments for whatever reason this will not entitle the Buyer to treat the contract as repudiated or to damages.

6. **Title and Risk of Loss:**

6.1 Risk in the products shall pass to Buyer FCA point of shipment (Incoterms 2020). Buyer must provide its own insurance. Any claims for loss, damage or mis-delivery shall be filed with the carrier. All products shall be deemed finally inspected and accepted within ten days after delivery unless notice of rejection is given in writing to Supplier within such period. Acceptance shall constitute acknowledgement of full performance by Supplier of all obligations under the contract except as stated in Section 10 (*Limitation of Warranties*).

6.2 Notwithstanding risk in the products passing in accordance with clause 6.1 hereof title in the products shall not pass to Buyer until Supplier receives payment for the

products and no other amounts remain outstanding from Buyer to Supplier in respect of other products supplied by Supplier.

6.3 Until title to the products passes: -

(a) Buyer will hold the products as fiduciary agent and bailee for Supplier;
(b) The products shall be kept separate and distinct from all other property of Buyer and of third parties and in good and substantial repair and condition and be stored in such a way as to be clearly identifiable as belonging to Supplier. Buyer shall ensure that the products are not subject to any mortgage, charge, lien or any other security interest of any kind however created or arising.

6.4 Supplier shall at any time be entitled to appropriate any payment made by Buyer in respect of any products in settlement of such invoices or accounts in respect of such products as Supplier may in its absolute discretion think fit notwithstanding any purported appropriation by Buyer.

6.5 Until such times as the title in the products has passed to Buyer Supplier has the right to withhold delivery if Buyer (being a Company) has a petition presented for its bankruptcy or passes a resolution for voluntary bankruptcy otherwise than for the purposes of a bona fide amalgamation or reconstruction or compounds with its creditors or has a receiver appointed of all or any part of its assets or (being an individual) becomes bankrupt or insolvent or enters into any arrangements with creditors or takes or suffers any similar action in consequence of debts or carries out or undergoes any analogous act or proceedings under foreign law.

6.6 For the avoidance of doubt it is hereby declared that nothing in this clause shall affect the rights given to Supplier by section 2 of the Uniform Commercial Code and its state counterparts.

7. **Terms of Payment:**

7.1 Each shipment shall be a separate transaction and Buyer will be invoiced on date of dispatch. Unless otherwise stated on Supplier’s invoice, terms of payment for: (i) any order under \$25,000 shall be net thirty (30) days from date of invoice; or (ii) any order over \$25,000 shall required a fifty percent (50%) deposit with Buyer’s order with the balance due net 30 with approved credit.

7.2 Domestic spare parts orders and orders from selected export customers are net cash within thirty (30) days from shipment upon approved credit.

7.3 Export orders for \$5,000 or more will be accepted only after an irrevocable letter of credit with terms in accordance with the attached letter of credit has been provided to Supplier. Export orders for less than \$5,000 will only be accepted by Supplier upon Supplier’s receipt of a wire transfer for the amount of the order.

7.4 Supplier may, in its sole discretion, determine at any time that Buyer's financial condition requires payment in advance or other assurance of payment satisfactory to Supplier and, if such requirement is not met, may cancel the order or any part thereof and receive reasonable cancellation fees. Notwithstanding any conflicting provision in this Section 7, if Buyer elects to remit payment via credit card, Supplier may, in its sole discretion, require receipt of full payment at the time of order placement and, if such requirement is not met, may reject placement or acceptance of the order or any part thereof. If Buyer fails to pay any payment due hereunder when due, Supplier may recover, in addition to the payment, interest thereon at the rate of 1 1/2% per month where lawful, otherwise the maximum lawful monthly interest rate, and reasonable legal fees.

8. **Force Majeure:** Supplier shall not be liable for any delay in delivery or for non-delivery, in whole or in part, caused by the occurrence of any contingency beyond the control of Supplier, including, by way of illustration but not limitation, war (whether an actual declaration thereof is made or not), sabotage, insurrection, riot or other act of civil disobedience, act of a public enemy, failure or delay in transportation, act of any government or any agency or subdivision thereof, judicial action, labor dispute, accident, fire, explosion, floods, storm or other act of God, shortage of labor, fuel, raw material or machinery or technical failure where Supplier has exercised ordinary care in the prevention thereof. In addition, Supplier may furnish suitable substitutes for materials unobtainable because of priorities or regulations established by government authority, or non-availability of materials from suppliers.

All Supplier rights and remedies, whether evidenced hereby or by any other contract or document, shall be cumulative and nonexclusive and may be exercised singularly or concurrently.

17. Applicable Law and Actions to Recover Damages: The contract shall be governed by and construed in accordance with the law of the State of Maryland.
